T120, T120A, T120B, T120C, T120D, and T120E are shown as black dashed lines on the map. T120F (bicycles only) is shown as a black dashed line overlain with green.

NOTE: The reconstruction of the trails north of Cedar Creek Road is now complete. These trails were formerly known as the Spaghetti Bowl trails. All of the T120 trails are on the north side of Cedar Creek Road with Mechem Drive on the east and the Sam Tobias Campground on the southwest. The maximum elevation change is about 500 feet, from Cedar Creek Road to the top of the ridge. The trails are designed for bicycles – 3-4 feet wide with low gradients.

Drop by the Smokey Bear Ranger District office at Mechem and Cedar Creek Road for a nice map of the Cedar Creek trails. GPS coordinates for the Cedar Creek trail junctions are given in the T120 web page.

DESCRIPTION: T120B connects the west end of T120A to the east end of T120C..
